

WASHINGTON GOVERNMENT READY TO CRAWFISH

EXAMINATION OF NOTE BRINGS OUT FACT THAT IT DOES NOT MEET WITH PROTEST OF U. S.

(Republican A. P. Leased Wire)
WASHINGTON, Oct. 15.—An examination of the allies' note on the censorship of mails, made public this morning, has brought a feeling among officials that it does not satisfactorily meet the protests set forth in the American note of May 24, which said that "only a radical change restoring to the United States its full rights as a neutral power, will satisfy this government."

The state department has watched with interest, however, the informal arrangements made by British authorities through their trade department and through such conferences as that of Sir Richard Crawford in New York recently, and is

BIG MEETINGS TO BE HELD IN SOUTH OF STATE

(Special to The Republican.)
NOGALES, Ariz., Oct. 15.—Arriving here late this evening after the long journey from Tucson in the "safety first" car, Governor J. H. Kibbey, Joe V. Prochaska and Judge Otis J. Daughen were warmly welcomed by a large delegation of prominent citizens.
Stops were made at San Xavier, Twin Buttes and Tubac during the afternoon where the candidates met many voters, reviewed old acquaintances and made many new friends. In view of the fact that these stops were of considerable length the arrival of the party in this city was not until nearly 8 o'clock this evening.
Everything is in readiness here for the monster republican rally to be held tomorrow evening when the candidates will address the local voters upon the issues.
Norman J. McKenzie, republican candidate for mine inspector, who has been meeting with exceptional success during the campaign, will arrive with the party as he spent the day at Silver Bell mine near Tucson. He will arrive here tomorrow in time for the meeting.
In view of the unusually large audiences that have been gathering to hear Governor Kibbey and the other candidates on the republican ticket, it is predicted that the meetings to be held in the south by campaign party number one will even exceed the monster Campbell meetings of several weeks ago.
Never before throughout the southern part of the state have there been so many republicans in evidence. It seems as though great flocks of them are coming out from behind every cactus and boulder in Santa Cruz and Cochise counties.
Men who are thoroughly familiar with things political in Arizona declare that the republicans realize that this year is really and truly a republican year and to make it doubly sure they are taking an active interest in the

campaign. Then, too, it is claimed, most every voter who hasn't a definite choice, likes always to be with the winners. And judging from the way they are going here it seems certain that Governor J. H. Kibbey, republican candidate for United States senator and Tom Campbell, republican candidate for governor, are two candidates who are considered sure winners.

GERMAN SUBMARINE OPERATIONS DESTROY MONROE DOCTRINE

(Republican A. P. Leased Wire)
PARIS, Oct. 15.—(Via London.)—According to Jean Herbet, military strategist and writer on international affairs, the German submarine U-53, made a breach in the Monroe doctrine by sinking vessels off the New England coast and it remains to be seen whether the United States will "contain the celebrated American tradition or let it be cast aside."
"France is only a disinterested spectator in the debate," said M. Herbet, "because it makes little difference to her whether the Germans operate on one side of the Atlantic or the other, but it will produce a great change in the political equilibrium of the world, if the doctrine shall be abrogated by President Wilson."
President Monroe in formulating his doctrine "opposed naval as well as military control. One cannot be tolerated without opening the door to the other."
M. Herbet recalls the case of French warships in 1870, cruising off New York in watch for German vessels. The French ships violated no laws, he said, yet their action resulted in the American secretary of state sending a warning note to France. The principle then laid down has not been forgotten, he adds.

Austrian Speculations Concerning Terms Of Peace GERMAN POWERS SEE NO REASON FOR YIELDING

(Republican A. P. Leased Wire)
VIENNA, Oct. 15.—With a keen longing for peace, has come a persistent speculation of the central states, as to the manner in which this blessing may be secured. But although the question is but the substance of the person's own wishes. Political and military circles today are as far from seeing a definite plan for the cessation of the war as they were in the beginning.
If the fear prevailed in the central states that a peace with honor, and possibly profit, could not be secured, then thought must run in a different channel. But that the entente has not shown that it can ultimately realize its own hopes is the universal view in Austria-Hungary and Germany, and their allied countries. The offensive on the Somme, the Russian attack in Bukovina and in East Galicia, the entry into the war of Rumania, and its immediate consequences; the campaign from Saloniki and the exertions of the Italians have all contributed toward the feeling in the central group, that the resistance met by the entente may yet open the eyes in those who must first announce that they will be satisfied with a peace whose terms will not have the dismemberment of central Europe as a basis.
The central governments are today today for a peace which would leave Europe very much as before the war, with the exception that Poland must be made an autonomous state and that neither Belgium nor Serbia can again trouble, innocently or purposely, the quiet of Europe.
There is here not the faintest indication that the entente is inclined to enter negotiations on that basis. In Vienna and in Berlin on the other hand, nobody can yet see why the central group should make concessions, since they claim to hold troops everywhere by the occupation of enemy territories so large that the few advantages gained by the entente can hardly count. Had the summer operations driven the central troops out of France and Russia, things would be different. The entente's offensive has merely shown, according to the opinion here, that the steel wall of the Germans in the west may be bent, but cannot be broken, while resistance in the east has been splendidly maintained. The Italians have again been obliged to take breath. So long as the entente cannot convince the public of the central states, that it is gaining militarily, the necessity of making concessions will not break upon the central European mind.
It is evident that the government and public are not on the subject. There is much grumbling about this or that regulation but all these things are trifles compared with the great objective—that the war must not be lost.
There is no evidence that Russia would be the first to make peace. Nevertheless—that country is thought of in this manner. Peace rumors always have a Russian bias. Possibly this is due to the belief that Russia is, after all, the most vulnerable of

HUGHES HEARS A SERMON ON VITAL TOPICS

(Republican A. P. Leased Wire)
LINCOLN, Neb., Oct. 15.—Charles E. Hughes spent Sunday in Lincoln, resting. He went in the forenoon to the First Baptist church and heard a temperance sermon by the Rev. Samuel Batten, who urged the congregation "not to forget while voting for Mr. Hughes, to vote also for the prohibition amendments" in Nebraska. The nominee expected to go for an automobile ride this afternoon, but rain prevented.
Mr. Hughes will leave Lincoln tomorrow morning to conclude his campaign in this state. He will make addresses at Hastings, Grand Island, Columbus and Fremont, and will make a night address at Omaha.
Leaving Omaha early Tuesday morning, Mr. Hughes will go into South Dakota and Iowa.

And Wilson Too
NEW YORK, Oct. 15.—A band of Wilson volunteers headed by Amos Pinchot, will go to Shadow Lawn tomorrow, it was announced tonight, to receive from President Wilson a "message" to carry with them when they start Wednesday morning on a "truth-making" tour of New York state, which will take them from the "Battery" to Buffalo. Among the campaigners will be Rabbi Stephen Wise, a commissioner of immigration, Frederick C. Howe, and the Rev. Dr. George R. Lund.
A statement by F. D. Underwood, president of the Erie railroad, denouncing himself in favor of the re-election of President Wilson, was made public tonight at democratic headquarters.

Villa Advancing
EL PASO, Tex., Oct. 15.—American refugees from the Madera district of Western Chihuahua claim to have received word from the Madera district that the American outpost to Madera, which was captured by General Francisco Gonzalez Friday night from the Carranza garrison at Madera, has been evacuated before the advance of the Villa troops.
Persistent reports that General J. J. Pershing has sent scouts out from El Paso, the American outpost to Madera, and 15 miles beyond continue in circulation here but are denied by the Mexican and American military authorities.

After Foreigners
EL PASO, Oct. 15.—Copies of a decree issued by General Carranza requiring all individuals or corporations having business with the department of the interior to register, giving their nationality, have been received here. This decree is believed to be preliminary to the assessment of special taxes upon all foreign owned property in Mexico.

McDougall At Bar Harbor Leaves Without Warning

(Republican A. P. Leased Wire)
BAR HARBOR, Me., Oct. 15.—The abrupt recall of a liberty party from the destroyer McDougall and the ship's subsequent departure at full speed today, suggested important developments in connection with the warship's neutrality patrol. Early this afternoon she put in here from Eastport and gave shore leave to a party of her sailors. Four blasts of the ship's whistle soon recalled them and the last boat load hardly had reached the destroyer's side when she steamed out of the harbor.

BUCHAREST HAS TO ADMIT THAT MEN RETREAT

(Republican A. P. Leased Wire)
Although Rumanians in northeast Transylvania continue to retreat before the Austro-German forces from this region all along the battle line to the vicinity of Orsova, they at several points by counter attacks have gained an advantage.
Bucharest admits retreat of the Rumanian forces in the Kaliman mountains, but says farther south the infantry of the Teutonic allies was put to flight. Successes also were obtained by the Rumanians in the Oluz and Jiu valleys.
On both sides of the Saurduk pass, Rumanians continue on the offensive, but Berlin says their attacks have been repulsed.
In the Carpathians the Austro-Germans have recaptured the height of Smotrec. In Volhynia violent fighting has broken out. Petrograd says that north of Korynzia the Russians captured a German trench. Along the Stokhod, says Berlin, Russian attacks were repulsed.
German trenches in the neighborhood of Orsova and Schwanenfeld, in the Tisza valley region of France, have been captured by the British and with them more than 300 prisoners. Near Guedecourt, the British also have slightly advanced their line.
Berlin admits that the British north of Thiapval gained a firm hold on the German trenches and that the French south of the Somme have won a foothold in the sugar refinery at Somerment. The French in Saturday's fighting in the Ablancourt-Bellay sector made the Germans prisoners.
Serbian troops have advanced along the left bank of the Cerna river, while the French have cut the railway line south of Sere.
Gains for the Italians against the Austrians in the Carso region of the Austro-Italian theater are recorded by Rome.

London's Version
LONDON, Oct. 15.—Serious fighting occurred Saturday along the entire Serbian front, according to a Reuters dispatch from Saloniki. The Bulgars were expelled from some of the Cerna and Bulgarian counter attacks were repulsed.

Roosevelt Preparations

Preparations are moving along rapidly for the reception of Colonel Roosevelt, who will arrive here at noon next Saturday on a special train. He will be accompanied by the usual large contingent of newspaper correspondents who always attend him in his journey through the country, for there is no other American concerning whose movements and sayings newspaper readers are so interested. Mr. Roosevelt will leave the city the following morning at 7:30.
Mr. Dwight B. Heard, who has been given general charge of the arrangements connected with the coming of Colonel Roosevelt, has asked Mrs. R. Gatter of the Southern Pacific will be in charge of the transportation arrangements.
The personnel of all the committees as well as of the reception committee, consisting of 300 persons from all parts of the state will shortly be announced.
Special trains will come from Tucson and probably from Douglas. As to the northern part of the state it has not yet been determined whether the crowds will come in special or regular trains, but it is certain that there will be an outpouring from all parts of the state.

BISHOP MAKES A DOZEN DEAD IN COLLISION STOCK TRAINS

(Republican A. P. Leased Wire)
ST. LOUIS, Oct. 15.—Clergymen attending the general convention of the Protestant Episcopal church, in session here today, occupied all of the Episcopal pulpits of St. Louis, while numbers of others preached to congregations in neighboring cities. Scores of persons were obliged to stand through the services at Christ church cathedral, a downtown church, where the Rt. Rev. Charles P. Brent, a bishop of the Philippines, made a plea for church unity.
"Heretics and isms," said he, "begin with the separation of a truth from the part of all people to the whole truth and for a 'fearless study of any truth that may not be prevalent in our own church.'"
Bishop Brent pleaded for loyalty on the part of all people to the whole truth and for a "fearless study of any truth that may not be prevalent in our own church."

The trains in collision were sections of a regular stock train. Lack of lights and warning signals is given by survivors as the cause of the accident. All the victims are residents of towns of western and central Nebraska, most of them farmers or stockmen. The dead are:

KILLS BOY SUITOR
(Republican A. P. Leased Wire)
CANTON, O., Oct. 15.—A court-courtesy greeting Victor Roderick, 19-year-old suitor for his daughter's hand, in his home, W. G. Britton, formerly a well known baseball pitcher, shot the youth and then committed suicide here today. Britton objected to the youth's attention to his daughter, but had submitted to the derision of his wife and his daughter of his attitude.

Received a telegram from Senator Ollie James of Kentucky, who has been campaigning in the middle west, predicting victory for Mr. Wilson.
"St. Louis Day," which was to have been observed here Tuesday, has been cancelled. At the same time more elaborate arrangements are being made for the president's trip to Chicago this week. He will leave here Wednesday and was to have delivered only one speech, but it now is probable he will make more speeches in Chicago.
This was Mrs. Wilson's birthday, and tonight a family birthday dinner was held at Shadow Lawn. The president gave Mrs. Wilson a diamond and platinum brooch.

President Wilson To See Gerard And Talk It Over
(Republican A. P. Leased Wire)
LONG BRANCH, N. J., Oct. 15.—It is expected that some time this week President Wilson will discuss the German situation with James W. Gerard, ambassador to Germany, but no engagement had been made today. Thomas McCarty, United States marshal, formerly Ambassador Gerard's secretary, was here to see Secretary Tumulty. The president read carefully the reply of the entente allies to the protest of the United States on interference with American mails, but no comment was forthcoming from the summer White House.

General Carranza, who is governor of the state of Puebla, is said to have escaped, remaining loyal to Carranza.

JOINT COMMISSION HAS LITTLE HOPE OF FINISHING WORK IN WEEK

(Republican A. P. Leased Wire)
ATLANTIC CITY, N. J., Oct. 15.—Members of the Mexican-American joint commission appeared today to have little hope that their work would be finished for at least another week. Their conferences will be resumed tomorrow.
The Mexicans have not been able thus far to satisfy the Americans that their government, assisted, can maintain order along the border as will safeguard life and property of Americans.
Unofficial information reaching here indicated it was not improbable General Carranza's impatience at the failure of the American government to withdraw General Pershing's troops might cause him to send to the state department at any time a communication that would give the situation a new aspect.

Carranza Starts Campaign
MEXICO CITY, Oct. 15.—Pérez M. Palavicini, former secretary of public

instruction, who is understood to be the manager of General Carranza's campaign for the presidency, in a speech today outlined the probable course of the new constitution. He said that national sovereignty must be able to govern under the constitution of 1857 because it was inadequate.
General Carranza, it was said, desired to govern not by decree, but according to statute of law. The new constitution, he said, would provide for contingencies and make government by statute possible. States which had not been self representing, it was said, would be returned to the status of territories, and a supreme court bench of fifteen members would be appointed and not elected, and subject to recall as at present.

Mexican Activity
PRESIDIO, Tex., Oct. 15.—Reports received in Ojinaga, Chihuahua, across the Rio Grande from here, that a force of troops had detained at Palomir, the terminus of the Orient railroad northeast of Chihuahua City, and is moving in this direction, has caused unusual activity at the Ojinaga garrison. Palomir is 15 miles from Chihuahua City. The identity of the troops reported at Palomir has not been determined.
Fifty-four armed Mexicans are also reported opposite Palomir, Tex., 25 miles east of here on the Rio Grande. American troops are stationed at Palomir.

Diaz Gathers Strength
LAREDO, Tex., Oct. 15.—Ten thousand de facto government troops who were defeated at Terasaca, October 6, joined the Felix Diaz movement, according to information today. This information says that a column of 15,000 troops under command of Gen. Jose Robles sent against the revolutionists, declared themselves with their leader for Diaz, while another column of equal strength commanded by Gen. Caserio Castro, likewise deserted.
General Castro, who is governor of the state of Puebla, is said to have escaped, remaining loyal to Carranza.
